In compliance with Public Utilities Code Section 311.5, parties who wish to subscribe to receive draft agenda items may do so by writing to the Public Utilities Commission; Attention: Poly Arca, Room 1003, 505 Van Ness Avenue, San Francisco, CA 94102, or by calling (415) 703-1798. The cost for a one-year subscription to the entire public agenda package (which excludes Executive Session materials) is \$1,000. You may also order a partial agenda package (energy agenda items only or telecommunication agenda items only) at the cost of \$500 per year. The package you receive via mail will include only those agenda items available at the time of the agenda distribution date, which is usually 10 to 12 days prior to the Commission meeting. If agenda items (including revisions) are not ready on the distribution date, they will be made available at no charge in the lobby outside the Commission Auditorium at 9:00 a.m. on the morning of the Commission meeting, but not earlier.

In addition, the Commission will make draft agenda items available for viewing and photocopying (at 20 cents per page) at the Commission's Central Files Office (Room 2002), 505 Van Ness Avenue, San Francisco, and in the Los Angeles, San Diego, and Sacramento field offices. Since the agenda package will be mailed to these locations, it will be available at these locations a day or two after the distribution date. These locations will not receive agenda items that are not ready on the distribution date.

If an agenda item is held over to a subsequent Commission meeting, that agenda item and any revisions to that agenda item that were available on the morning of the initial Commission meeting (as well as any further available revisions) will be mailed in the Escutia package for the subsequent Commission meeting; the item and its revisions will also be available for viewing and photocopying in the Commission's Central Files Office and field offices as set forth above. 1/28/02	A00-11-038	Southern California Edison Company, for authority to institute a rate stabilization plan with a rate increase and end of rate freeze tariffs.
	A00-11-056	Pacific Gas and Electric Company, emergency application to adopt a rate stabilization plan.
	A00-10-028	The Utility Reform Network, Petition for modification of Resolution E-3527.

Summary: On January 23, 2002, Bill Stock, Chief of Regulatory Relations of Pacific Gas and Electric Company (PG&E), met with Cmmr. Bilas in San Francisco. Also present were: Kevin Coughlan and Julie Fitch, advisors to Cmmr. Bilas; and Les Guliassi, Director of Regulatory Relations, and Mark Huffman, Attorney, for PG&E. Huffman explained that overall the allocation methodology laid out in the proposed decision (PD) regarding the California Department of Water Resources' (CDWR) revenue requirement is appropriate. Huffman pointed out that CDWR may engage in interim financing and this could lead to a significant increase in costs. Huffman asserted that the PD should be modified to exclude these costs as part of CDWR's revenue requirement. Referring to franchise fees, Huffman stated that because the two applicable statutes are at odds, responsibility for the CDWR-related franchise fees should be deferred until the Legislature clarifies how this issue should be resolved. Huffman outlined how the PD requires PG&E to follow the terms of the draft Servicing Agreement.

Summary: On January 23, 2002, Brian Cherry, Regulatory Relations of Pacific Gas and Electric Company (PG&E), met with Aaron Johnson, advisor to Cmmr. Lynch, in

San Francisco. Cherry stated that PG&E filed a request asking for a new order to extend the date of authorization to secure PG&E's gas accounts receivable through May 1, 2004. Cherry stated that the gas accounts receivable securitization program has proved to be an important procurement tool that eliminates market-to-market exposure for suppliers and for acquiring swing gas supplies. Cherry stated that without an extension of this program, PG&E is concerned about its ability to procure supplies after the current expiration date.

1/29/02 A00-07-043 Pacific Gas and Electric Company, for authority, among other things, to increase rates and charges for electric and gas service effective on January 1, 2001, and on January 2, 2002.

Summary: On January 24, 2002, Les Guliassi, Director of Regulatory Relations for Pacific Gas and Electric Company's (PG&E), met with Robert Kinosian, advisor to Cmmr. Lynch, in San Francisco. Also present was Bruce Bowen, Director, Regulatory Relations, PG&E. Guliassi stated that PG&E filed an application consistent with the Commission's directive. Bowen stated that PG&E continues to make necessary investments in its distribution system, that an attrition adjustment is needed to keep pace with PG&E's capital expenditures and the growth in rate base, and that the proposed decision appropriately implements the attrition adjustment. Guliassi urged the Commission to rule on PG&E's motion to adopt an attrition mechanism for 2002. Guliassi asked that, at a minimum, the Commission issue an interim decision.

1/29/02 R02-01-011 Order Instituting Rulemaking regarding the implementation of the suspension of direct access pursuant to Assembly Bill 1X and Decision 01-09-060.

Summary: On January 25, 2002, Leslie Katz, Regional Vice President of Sempra Energy (Sempra), met with Cmmr. Brown in San Francisco. Also present were: David Gamson and Peter Hanson, advisors to Cmmr. Brown; and Sharon Cohen, Attorney, and Billy Blattner, CPUC Relations Administrator, for Sempra. Katz explained that retroactive suspension of direct access is a violation of the Contract Clause of the United States Constitution. Katz noted that customers had made business decisions based on existing laws and regulations and that to change those conditions retroactively would have serious economic consequences and would be extremely difficult to implement. Blattner added that according to the Public Utilities Code, Commission-ordered changes in tariffs are to be effective only prospectively.

Also present were David Gamson, advisor to Cmmr. Brown, and Les Guliasi, Director of Regulatory Relations, and Mark Huffman and Christopher Warner, Attorneys, for PG&E. Huffman explained that the postage stamp method of cost allocation proposed in the proposed decision (PD) is appropriate. Warner noted that there are errors in the California Department of Water Resources (CDWR) revenue requirement. Warner indicated that because the PD is at odds with state law, responsibility for the CDWR-related franchise fees should be deferred until the Legislature clarifies how this issue should be resolved. Warner outlined how the PD requires PG&E to follow the terms of the draft Servicing Agreement between PG&E and CDWR. Finally, Huffman noted that San Diego Gas & Electric Company's financial position is different from Southern California Edison Company and PG&E.

	I95-04-044	Investigation on the Commission's own motion into competition for local exchange service.

Summary: On January 29, 2002, Peter Casciato, attorney for Metro One Telecommunications, Inc. (Metro One), had two separate telephone conversations: with ALJ Pulsifer and with Lester Wong, advisor to Cmmr. Bilas. Casciato explained that the revised draft decision concerning the Metro One petition to modify was legally wrong in its failure to eliminate the per query charge since the Federal Communications Commission has prohibited all discrimination by incumbent local exchange carriers against Directory Assistance intraLATA toll carrier providers.
